

MCVO Cart Challenge Sunday March 28, 2010 3:00 PM

(arrive by 2:30 so we are ready to begin at 3:00)
Dinner at approximately 5:00

Get ready all you Viper lovers. It is time for the inaugural race of the year. It may be a bit early to unsheathe the real McCoy, but timing is purrfect for a Viper style kart race, Grand Prix style at **Kart 2 Kart**. For those that have not participated in the past this is a great way to get together with your MCVO family and enjoy some fun in a not so serious event.

42705 Van Dyke, Sterling Heights - Just south of 19 Mile on Van Dyke

MCVO will come together on Sunday March 28 for just such an event. Included in the MCVO subsidized price are three track sessions and lunch. The Grand Prix format includes 3 races per person plus a final race to determine the MCVO champion for 2010. So who will be the highly regarded MCVO Karting Champion for 2010 ???

The cart track is 1/4 mile long (long maybe be a misnomer here as it includes quite a few turns) and the carts are real racing carts. Driving suits and helmets are provided or you may bring your own if you wish.

After Karting around we will enjoy dinner while we cajole a bit about who did what to whom and of course award the Champion and other participants their well earned trophies.

* Drivers must be at least 16 years old & 60" Tall

Name _____

No. of Drivers _____ @ \$50.00* per person _____

No. of Guests _____ @ \$10.00* per person _____
